

AvinED's "ARC" AV Rack Cabinet is the perfect solution for today's high-tech classrooms, meeting and conference rooms that have a need to store AV equipment and technology but lack the space and don't want a large metal rack in plain sight. These cabinets are constructed for durability but finished like furniture.

Note: All electronic / AV equipment is shown for demonstration purposes only & is not included.

PRODUCT SIZE 23 5/8" Wide | 28 7/8" Deep | Height will depend on number of useable AV rack units ordered.

Sample: 12RU = 29 3/4" high with M10 Casters, add 1 3/4" for each additional rack unit for overall height with casters.
